## **Bow Wow Brunch & VIP Film Screening May 5, 2019**

**Hosted by Museum of Discovery and Science and Humane Society of Broward County**

### **Event Benefits Educational Programs at MODS & HSBC**

**Fort Lauderdale, FL, April 30, 2019** – The Museum of Discovery and Science and the Humane Society of Broward County are co-hosting a Bow Wow Brunch and VIP Film Screening of the new IMAX documentary, *Superpower Dogs 3D* on May 5, 2019. This event will benefit the educational programs for both organizations. The event will take place at the Museum of Discovery and Science, starting with a catered brunch buffet by Shooters Waterfront at 9:30am. This will be followed by the VIP Film Screening of *Superpower Dogs 3D*, at the Museum's AutoNation IMAX Theater, Florida's only IMAX with Laser giant screen theater.

The event ticket price for non-members is \$55 for adults and \$35 for children. For MODS and HSBC members, it is \$50 for adults and \$30 for children. The tickets include admission to the brunch, VIP *Superpower Dogs* film screening, and museum exhibits. Tickets are on sale now and can be purchased by phone 954.713.0928 or online at <https://www.blacktie-southflorida.com/calendar/event-details.cfm?id=16064>.

Starting at 9:30 a.m., brunch service will be open. Film seating begins at 10:50am. Giveaways and raffle will be drawn throughout brunch.

**Superpower Dogs** follows six real-life working dogs from around the world as well as their human partners as they brave earthquakes and avalanches, protect endangered species such as rhinos and elephants and transform the lives of people with special needs. In this inspiring true story, our best friends are also real-life superheroes. As we discover the incredible abilities of dogs and the astonishing science behind their superpowers, we'll never look at our best friends the same way again! The film is narrated by Chris Evans (*Captain America: The First Avenger, Gifted*).

### **About AutoNation® IMAX 3D Theater**

The 300-seat theater AutoNation® IMAX 3D Theater is owned and operated by the Museum of Discovery and Science. In 2017, the Theater was completely reimagined to be the first in Florida to feature IMAX with Laser raising the science of cinema to the level of magic. This new technology with dual 4K laser projectors has revolutionized the way we experience 3D films on the six-story-high screen. The new laser projector technology offers brighter images, intense colors, and incredible detail that will leave you in awe.

There's also a next-generation immersive 12-channel sound system featuring 114 speakers capable of 52,000 watts of digital sound. Whether it's a pin drop or feeling the heart-palpitating force of a volcano, audiences will experience a new kind of visceral sound experience.

It's the difference between watching a movie and being a part of one. The AutoNation IMAX 3D Theater is the only place in Florida where you can experience the power of IMAX with Laser and is one of only three Certified Giant Screen® theaters in Florida as certified by the [Giant Screen Cinema Association](#).
